You're just one step away from seeing your paychecks!

Just a couple of quick questions so we know who you are. You only need to do this once.

Social Security Number

Net pay on your last paycheck

I agree to ViewMyPaycheck's terms of use

All done!

- Verify your identity by providing your Social Security number.
- Now enter the amount of your last paycheck, found either on the physical check or in your bank statement (if you have direct deposit).
- Check “I Agree” and click “All done!”.
